REMARKS

The specification has been amended to correct minor typographical errors and to provide that the specification reads more consistently.

Claims 113 has been amended to incorporate the subject matter of claim 120 into claim 113, as originally agreed upon in the interview between Examiner and applicant on October 7, 2004.

Since no further search or review is necessary, applicant respectfully requests that the AMENDMENT UNDER RULE 312 be entered, and that the amendments to the claims be substituted for the amendments to the claims as set forth in the Examiner's Amendment dated October 20, 2004.

Respectfully submitted,
